Armins 3 I Protocol: Infection + Inflammation + Immundysfunction

Infection/Antimicrobials (Group A)

Banderol, Samento, Cumanda, Stevia, Mora, Takuna, Houttuynia

Inflammation (Group B)

Nattokinase and Dandelion

Immune Support + Detox (Group C)

Magnesium Malate + Binder Plus + Vitamin C + Zinc + Vitamin D/K2 + Burbur Pinella

Dosages:

Infection/Antimicrobials (Group A)

- **Banderol, Samento, Cumanda, Stevia, Mora, Takuna, Houttuynia**

- Start with 1 drop (approx. 30 minutes before meals) increasing slowly (1 drop at a time) to full dose of 20 drops 2-4 times per day. Add drops to 4oz (120 mL) of water and wait one minute before drinking.
- All follow the same dosing recommendations.
